### Good for a grin...

#### How do you say

#### "Female Chauvinist"?

One day my housework-challenged husband decided to wash his sweat shirt. Seconds after he stepped into the laundry room, he shouted to me, "What setting do I use on the washing machine?"

"It depends," I replied. "What does it say on your shirt?"

### ABOUT US

The CBPBA is a cooperative of landowners and interested parties in 12 Coastal Bend Counties, including Aransas, Bee, Calhoun, DeWitt, Goliad, Jackson, Karnes, Live Oak, Nueces, Refugio, San Patricio, and Victoria. Additional counties may be added in the future. Members share manpower and resources to help each other burn on their properties. The Association has a burn trailer available for rent at a very nominal fee that includes most of the equipment needed to conduct safe burns, including radios, drip torches, and fire suppression equipment.

Prescribed burning is one of the most effective and economical methods of brush management and wildlife habitat enhancement available to landowners. Many plants in Texas are highly burn adapted and respond very positively to burning. Burning was nature's way of maintaining a healthy and dynamic environment until man decided fire was bad. Reduced wild fires have produced uncontrolled brush expansion, degraded wildlife and livestock habitat, and reduced the quantity of useful forage available to wildlife and domestic animals.

Prescribed burning is a safe and economical habitat management tool when applied by knowledgeable people. CBPBA provides prescribed burn training opportunities and encourages the safe use of fire in the Texas Coastal Bend.

Join CBPBA by sending your check for \$25 (annual dues) along with the completed application on the mailing label page of this newsletter to CBPBA, P. O. Box 447, Beeville, TX 78104.

All members who paid dues in 2006 are paid up through December 31, 2007.

He yelled back,  
"University of Oklahoma"

And they say blondes  
are dumb...

A couple is lying in bed.  
The man says,

"I am going to make you  
the happiest woman in  
the world."

The woman replies, "I'll  
miss you..."

"It's just too hot to wear  
clothes today," Jack said  
as he stepped out of the  
shower, "honey, what do  
you think the neighbors  
would think if I mowed  
the lawn like this?"

"Probably that I married  
you for your money,"  
she replied.

Q: What do you call an  
intelligent, good looking,  
sensitive man?

A: A rumor

A man and his wife, now  
in their 60's, were  
celebrating their 40th  
wedding anniversary. On  
their special day a good  
fairy came to them and  
said that because they  
had been so good that  
each one of them could  
have one wish.

The wife wished for a  
trip around the world  
with her husband.

Whoosh! Immediately  
she had airline/cruise  
tickets in her hands.

The man wished for a  
female companion 30  
years younger...

Whoosh...immediately  
he turned ninety!!!

Gotta love that fairy!

A: They are practicing to be men.

☺

A: Trustworthy.

☺

Q: What does it mean when a man is in your bed gasping for breath and calling your name?

A: You did not hold the pillow down long enough.

A: It helps them remember which end they need to wipe.

☺

Dear Lord,

I pray for Wisdom to understand my man;  
Love to forgive him; And  
Patience for his moods.  
Because, Lord, if I pray  
for Strength, I'll beat him  
to death.

AMEN

☺

Q: How do you keep your husband from reading your e-mail?

A: Rename the mail folder "Instruction Manual"

You may submit items for inclusion in future newsletters by emailing them to [ljones@hrbizmall.com](mailto:ljones@hrbizmall.com)

**Liability** - Each rancher will be liable for fires on their property. Proof of insurance is required before CBPBA will assist in a burn and such proof should be submitted with the rancher's burn plan.

**Fire Lines** - Each landowner is responsible for preparing their own fire lines. Fire lines are subject to inspection before the initiation of the prescribed fire and should meet specifications outlined in the burn plan.

**Equipment** - Use of CBPBA equipment shall be available to all association members at the rate of \$50 for 24 hours or \$75 for 36 hours. A check out/check in form will be completed for each use to document the condition of the equipment and to determine the rate charged. Members are responsible for any damage to the trailer and equipment. Proof of liability insurance on the towing vehicle is required to check out equipment. The Trailer will be available for use by qualified persons who are not members on the CBPBA.

**Fire Boss** - Each rancher will be the fire boss on their own property unless other arrangements are made.

**Participation** - Members are encouraged to help on as many burns as possible. Participation provides members with fire-line experience, helps them become aquatinted with other members with the same goals and objectives, and builds an experienced team. Participation is recorded for each burn. Ranchers must assist in at least two burns for other members before CBPBA will assist them on their land. Exceptions are made for members not physically able to actively participate on burns. Participation sheets will be available at all burns and completed forms kept on file with CBPBA.
